

Hag Traits

Hags often give themselves titles that imply a family relationship, like “Mother” or “Sister.” Anyone who calls a hag by such a title becomes especially vulnerable to the hag’s magic.

To determine a hag’s name, roll on the Hag Title chart and on the Hag Name chart.

d12 Hag Title

1	Auntie
2	Baba
3	Goody
4	Grandma
5	Grandmother
6	Granny
7	Mistress
8	Mother
9	Mrs.
10	Nana
11	Nona
12	Sister

d20 Hag Behavior

1	a rare Good Witch
2	baking gingerbread men. The gingerbread men are alive and have the stats of skeletons
3	churning butter. The butter churn is groaning
4	crooning and fondling some ordinary trinket, such as a spoon or a key
5	asking you for help against some bully mortal or monster, possibly an enemy of yours. In return, you get a cursed gift
6	making a watercolor painting of some famous noble
7	eating sweets from a squirming bag
8	with an offer of something you'd find valuable in exchange for an unspecified future service
9	greet you as royalty and promises you the crown you deserve, if you follow her advice
10	greet you by name, describes your recent past, and tells you of your coming doom unless you accept a gift
11	jarring preserves. Many of the preserved things are ingredients that make it cheaper to make magic items. Others are living monsters such as black puddings
12	knitting: the bag of yarn is squirming
13	making a pot of tea
14	plotting and cackling
15	running a bath of blood
16	sharpening her teeth on a millstone
17	speaking to her mirror
18	sweeping with her <i>broom of flying</i>
19	feeding her pets
20	with a human child: kidnapped? Or a young witch? Is the child the spitting image of a prince or princess?
